

Team Week

**Monday, September 13, 2021 through Sunday,
September 19, 2021**

(TEAM WEEK PRIZES TO BE ANNOUNCED)

Throughout the designated week above, we'll have contests geared towards boosting participation and/or meeting fundraising goals. The more effort you make, the better your chances are to win one of our great prizes!

Get Started!

Be sure to tell your team about the contest and the great prizes to be won! Encourage your team members to seek out donations in their community by using Facebook and other social media platforms to raise funds and reach their goal. Not big on social media? Team members can use the online tools in their Participant Center to email potential donors or to ask others to join the team.
